

Dear BME Students,

I would like to inform you that the final grading of Basic Mechanical Engineering will be held on June according to the following schedule:

Retake of tutorials will be on June the 23d (Friday), at 10.15AM , room 1M02, building A22, Mechanical Faculty.
the 26th (Monday), at 9.00AM , room 1M02, building A22 - Mechanical Faculty- exam - solutions;
the 28th (Wednesday), at 9.00AM in the room 102, Ist floor, building A22 - Mechanical Faculty - theory

In September the session schedule is as follows:

the 6th (Wednesday), 9.00AM , room 1M01, building A22, Mechanical Faculty tutorials retake.
the 11th (Monday), 9.00AM , room 1M02, building A22 - Mechanical Faculty - exam - solutions;
the 11th (Monday), 01.00PM , room 102, Ist floor, building A22 - Mechanical Faculty - theory

The first part of exam covers solution of five problems. Positive grades of all problems allow participation in the theoretical part. Participation in the exam concerns only those students who will have positive grades of tutorials and laboratory.
