

Apply for Our Future Manufacturing Leaders Program and Unleash Your Potential!

At Procter & Gamble, we take pride in cultivating talent primarily from within our organization. By joining us, you are stepping into a role with the expectation of evolving into one of our future leaders - perhaps even our next CEO.

About Us: Procter & Gamble is one of the world's largest consumer goods companies, operating in over 80 countries with revenues exceeding \$80 billion. We proudly manage 25 billion-dollar brands, including Gillette®, Ariel®, Pantene®, and Oral-B®.

Join Us: Are you ready to tackle global challenges alongside us? You'll learn from top-tier experts while crafting your own outstanding opportunities and making a meaningful impact on our business.

- **Work Schedule:** 80-100%
- **Locations:** Łódź Gillette Plant, Nowy Józefów 70, 94-406 Łódź
- **Duration:** 12 months (with the opportunity to get a managerial position upon successful completion of the program)

As a participant in our program, you will:

- **Engage on the Production Line:** Face various challenges head-on, making critical decisions that will impact operations and outcomes.
- **Explore Leading Technologies:** Discover our globally recognized technologies and the standards and methodologies that define P&G.
- **Build Your Skills:** Enhance your professional abilities through hands-on experience, mentorship, and targeted training opportunities.

You are the ideal candidate if you can answer "YES" to the following questions:

- Are you a 4th or 5th-year student at a Technical University (in fields such as Mechanics, Mechatronics, Automation and Robotics, Chemical Engineering, Process Engineering, Production Engineering, or related disciplines), or have you graduated within the last 12 months?
- Are you fluent in Polish?
- Are you proficient in English?
- Do you possess strong leadership abilities and excellent communication skills?
- Are you skilled in problem-solving, with a systematic approach, process orientation, analytical thinking, initiative, and flexibility?

- Are you open and motivated to gain new knowledge as an engineer and manager?

What We Offer:

- Responsibilities from Day 1: You will take full ownership of your projects from the outset, working on concrete tasks that demonstrate your impact.
- Continuous Mentorship and Training: We are committed to your development, offering both formal training and day-to-day mentoring to enhance your skills.
- Dynamic and Supportive Work Environment: Our employees are at the heart of our operations. We value each individual, encourage initiative, and promote agility and work-life balance.
- Attractive Salary along with a comprehensive benefits package.

Take the first step towards your future. Apply now and unlock your potential with Procter & Gamble! Please apply by submitting your CV in English.

Evidence of passion and achievements in academic and/or non-academic activities. Tell us what you're proud of – be it playing a musical instrument or holding down a job alongside your studies. We want to get to know you during your application and encourage you to include examples of actions you took and the results you achieved in your CV.

At P&G #weseeequal We are an equal opportunity employer and value diversity at our company. At P&G we strive to build a culture where everyone feels welcome, included, and able to bring their full selves to work.
